## WORLD OZONE DAY

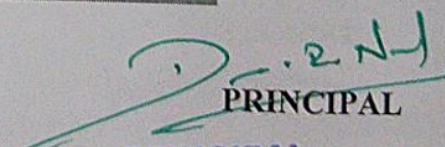

On September 16, 2023, the Cape Green Mission executed an impactful awareness program to commemorate "World Ozone Day" in the scenic locale of Kanyakumari. This report encapsulates the key events and participants, serving as a testament to the mission's commitment to environmental conservation and education. The program was initiated by Mr. Krishna Kumar, the Deputy Superintendent of Police (DSP) of Kanyakumari, reflecting the widespread support and endorsement for the cause of environmental preservation. The event was honored by the presence of distinguished chief guests, each recognized for their significant contributions to the community and the environment. Notable attendees included:

- Mrs. Sarojini, District Social Welfare Officer
- Mr. Sheela John, Deputy Director of the Horticulture Department
- Mrs. Sherine, Administrator of the Women Empowerment Section
- Mrs. Malarvizhi, Coordinator of District ECO Clubs
- Ms. Ninu M Joseph, representing the Fellowship of Green Ways
- Mrs. Shunmuga Veni, Branch Manager of UNIMONI
- Mr. N.S. Kumar, a prominent Scientist at DRDO
- Mr. Benedict John, Senior HR Manager

The insightful and inspiring messages delivered by these esteemed guests left an indelible mark on the audience. Their words underscored the pressing need to assume responsibility for the environment and, in particular, the preservation of the ozone layer. A collective pledge, embraced by all program participants, exemplified their shared commitment to the protection of the ozone layer and the broader cause of environmental conservation. This pledge serves as a testament to the sense of responsibility instilled in the hearts of those present. To conclude the program, Mr. Naveen, Inspector of Coastal Protection in Kanyakumari, initiated a beach cleanup activity. This action symbolized the determination to safeguard the pristine beauty of Kanyakumari's coastline, marking a practical step towards environmental preservation.

The "World Ozone Day" awareness program organized by Cape Green Mission was a resounding success, uniting diverse stakeholders and nurturing a spirit of environmental responsibility in all participants

## AWARENESS PROGRAM FOR ENVIRONMENTAL PROTECTION

Our Cape Green Mission, a dedicated environmental organization, conducted a one-day awareness program on September 28, 2023 to promote the protection of nature and the environment in the picturesque Maruthuval Hills. This program was initiated and led by social activist Dr. K. Nagendren. The event saw active participation from students affiliated with Our Cape Green Mission. The program was held in the pristine and ecologically significant Maruthuval Hills, creating a beautiful natural backdrop for the event. Dr. K. Nagendren, a renowned social activist with a strong commitment to environmental causes, took the lead in organizing and driving this initiative. Around 80 Students associated with Our Cape Green Mission played a crucial role in making the event success. Their enthusiasm and dedication were evident throughout the day. The program featured a range of activities aimed at increasing awareness about environmental issues. These activities included: Nature walks to explore the rich biodiversity of Maruthuval Hills, Educational workshops on topics like conservation, sustainable living, and biodiversity. Tree planting and habitat restoration efforts, Interactive sessions and discussions on the importance of protecting the environment. The one-day awareness program organized by Our Cape Green Mission in Maruthuval Hills, spearheaded by Dr. K. Nagendren and supported by dedicated students, was a commendable effort in promoting environmental protection. It served as a reminder of the importance of conserving our natural resources and biodiversity. Such initiatives are vital in creating a sustainable future for our planet.

## TREE PLANTATION

Our CIT organized an event on tree plantation on August 10<sup>th</sup> 2023. All staff and 150 students were present in the ground. The ceremony started with prayer. The program aimed to plant about 100 saplings in the campus and all around as well. Teachers also participated in that event to help students. At first, we started to implant seedlings along the central road of the college and then along all sides of the main ground. After that, the students planted in the local areas nearby college. The principal welcomed us warmly with a delicious lunch. After lunch, he motivated all of us with a passionate speech on tree plantation. Finally, the event ended and we came home with enthusiasm and happiness after doing such great work.

## ENVIRONMENTAL DAY

The Environment Day celebration at Cape Institute of Technology on 13<sup>th</sup> June 2024 was an inspiring event that emphasized the importance of environmental sustainability. Our cape green mission and NSS team visited GHSS koodankulam school to conduct an awareness program "SAVE EARTH" on 13 june 2024. Around 82 students participated actively in the program. On behalf of this programme our NSS volunteers have planted saplings in the school campus and surrounding areas. Students also showcased their creativity through eco-friendly exhibits and participated in a quiz on environmental awareness. The event concluded with a pledge urging everyone to contribute to a greener planet. The celebration was a great success, instilling a strong sense of environmental responsibility among the participants.
